BIFFF 2023

SUNDAY 16/04/2023

- The make-up contest will take place in one day, on Sunday April 16th, 2023 in the Palais 10 (Brussels Expo - Heysel).
- 2 categories will be evaluated: a category with prosthesis and a category without prosthesis.
- Both categories will be all levels mixed.
- Participants will be selected on the basis of their applications sent until Saturday 01 April 2023 (included) by the BIFFF selection committee.
- Assistants are not allowed during the competition.
- Regarding prostheses, two important details must be noted: they cannot have been purchased pre-made and must be unaltered.
- When submitting the project via the application, it is necessary to describe the project in text and/or sketches and/or photos. It is on the basis of these explanations and information that the selection will be made.
- The project will be evaluated by a mixed jury made up of make-up professionals among others.
